

ABOUT US

We provide start-ups, the world's key drivers of innovation, with the support they need to play their role in the future prosperity of Central Europe. Our job is to promote cooperation between public providers who leverage investments and groups of business angels and start-ups.

**BUILDING BRIDGES
FOR
EARLY STAGE
INVESTMENTS**

**TAKING
COOPERATION
FORWARD**

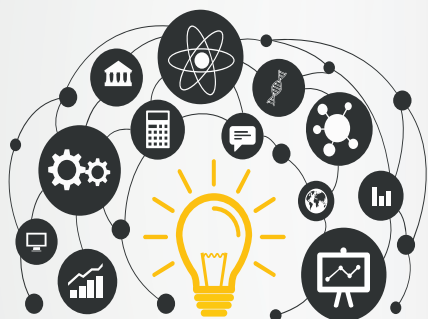

Our Project aims to:

Build ecosystems

to close the gap
between **3F** and **VC funding**
for early stage Start-ups.

Public Providers Business Angels Start-ups Project Partners Business Experts

Our Approach:

ACIF Angel Co-investment Fund

Our Offer:

Up to 1.000.000 EUR
of investment

Building linkages across territorial
ecosystems to close the financial gap
between 3F and VC investment for early
stage Start-ups.

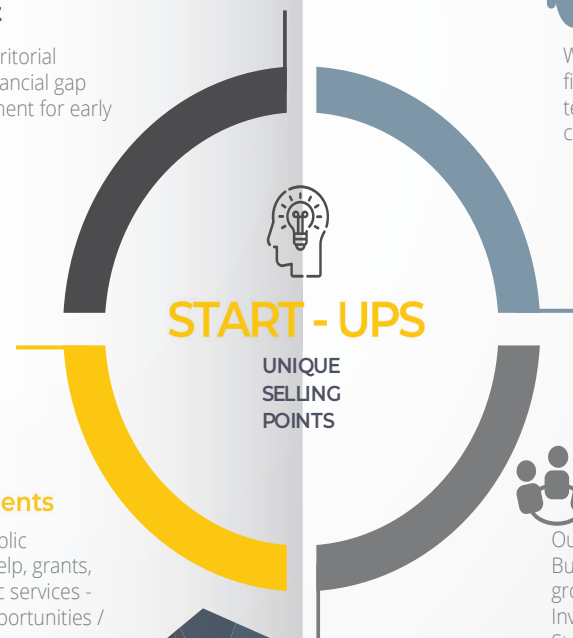

Leverage with
public instruments

We help others tap into public
instruments like financial help, grants,
coworking space and public services -
all in order to maximize opportunities /
utilize all possible assets.

Providing access to
industry experts

We introduce expert support in the
fields of ICT, health and environmental
technologies, renewable energies, smart
cities and more.

Matching Business
Angels and Start-ups

Our approach is to find a leading
Business Angel who will invest in a
group of local and international
Investors, providing smart money for
Start-up growth.
